

Statement on Student Interests and Protections

At GAMTA GPRO the well-being, rights, and aspirations of our students are at the heart of everything we do. We are committed to creating an inclusive, respectful, and empowering educational environment where each student can thrive academically, socially, and personally.

We ensure student interests are protected through:

- **Transparent Policies:** Clear guidelines on academic integrity, assessment, appeals, and disciplinary procedures are in place to promote fairness and accountability.
- **Student Representation:** Students have a voice in institutional decision-making through active representation on key committees and forums.
- **Support Systems:** Dedicated services—including academic advising, mental health resources, and financial aid—are readily accessible to support student success and well-being.
- **Equal Opportunities:** We champion equity and diversity, actively removing barriers to participation and promoting a culture where all students feel respected and valued.
- **Feedback and Responsiveness:** We regularly seek student input and act upon feedback to continuously improve the educational experience.

Our commitment is ongoing: we listen, adapt, and evolve in partnership with our students to ensure their rights, safety, and ambitions remain protected and nurtured throughout their journey with us.
